OLC # 78-0999/A

The Honorable Stansfield Turner  
Director, Central Intelligence Agency  
Washington, D.C.

Dear Admiral Turner:

At its meeting on October 10, the Committee on Foreign Relations voted to have the SALT briefings given the Committee in 1978 sanitized and printed.

I believe that a sanitized version of the February 23 briefing by officials of the Agency would be a valuable part of the printed volume. Accordingly, I would appreciate your asking the appropriate officials of the Agency to review the transcript for possible sanitization, and to be in touch with George W. Ashworth of the Committee staff. He is available at 224-5381.

Sincerely,

*John Sparkman*
